

Excellent ICSE 2026 Results of W. John Multipurpose Boarding School

W. John Multipurpose Boarding School has achieved a remarkable 100% success rate in the ICSE Class 10 Examination 2026, bringing pride to the institution and the state.

A total of **72 students appeared** for the examination, and **all students passed**, reflecting the school's consistent academic excellence and dedicated teaching efforts.

Leading the batch, **Anushree Kumari, former Head Girl of the school** secured the top position with an impressive **92%**, followed by **Jason Precious Ekka**, Former Head Boy of the school with **86%**, and **Alfa Oraon** with **84%**, earning appreciation for their outstanding performance.

This year also marked a significant milestone for the school, as **Artificial Intelligence and Robotics** were introduced for the first time in the curriculum—making W. John Multipurpose Boarding School one of the pioneering institutions in Jharkhand to embrace modern and future-oriented education.

The school management and faculty members expressed immense pride in the students' achievements and congratulated them for their hard work and dedication. They also extended their gratitude to parents for their continuous support.

The Principal, Dr. Suphal Ekka stated that the integration of advanced subjects like Artificial Intelligence and Robotics aims to equip students with essential 21st-century skills and prepare them for emerging career opportunities.

The school community celebrated this success with great enthusiasm and reaffirmed its commitment to excellence in education.
